

## Veloce Racing Association 2013 East Coast Challenge

**If you haven't been....what are you waiting for?  
If you are not sure.....you don't know what you are missing out on  
If you are sitting on the fence....don't fall the wrong way**

Following the hugely successful foray into Victoria for the 2012 Alfa Romeo East Coast Challenge, This year the circus heads to Queensland Raceway for the first time since the inaugural East Coast Challenge back in 2007 to mark the seventh year since the series' inauguration.

The 2012 event was again won by NSW with Spencer 'The Fonz' Rice taking a clean sweep in the super-fast Grp NC GTV2000 and first time competitors Victoria making a strong debut to tie with Queensland for second place. Phil 'The Mexican' Baskett was kept honest by Andrew Wilson outing his brand new GTV1750 and had it not been for an early retirement by Phillip Simmie, the story may have been different however.....that's motor racing as they say.

There was action a plenty up and down the 26 car grid and I don't think there was a face without a smile at the end of the weekend!

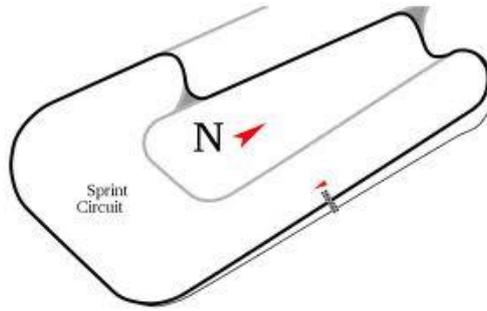

This year's event promises to be as good as every other and we need **you** to make sure this happens...beg, borrow, tell lies if you have to but whatever you do, don't miss out!!

Garaging available for around \$100, please contact QR direct for more info or bring your tent and set up on the grassed area immediately behind the sheds. Licensing is AASA or CAMS.

**If you have questions concerning eligibility of your racer, please contact VRA eligibility officer Steve Smith on 0416 270 451**
